

## Impossible!

This picture was simply entitled “impossible”; and, of course the label is a misnomer. At first glance it appears that the cubes are not connected, but if you look closely you can see that there are in fact places where a little “Gorilla glue” could make this shape possible.

Since the period of the “enlightenment” human beings have focused on reason and that is a good thing – up to a point. When we begin to pridefully think that only those things which we can scientifically “prove” are correct, then we are in for a shock. Consider just one chapter of the Bible; the first one...

### **Genesis 1 ( [World English Bible](#) )**

Gen 1:1, In the beginning God\* created the heavens and the earth.

Gen 1:2, Now the earth was formless and empty. Darkness was on the surface of the deep. God's Spirit was hovering over the surface of the waters.

Gen 1:3, God said, “Let there be light,” and there was light.

Gen 1:4, God saw the light, and saw that it was good. God divided the light from the darkness.

Gen 1:5, God called the light “day,” and the darkness he called “night.” There was evening and there was morning, one day.

Gen 1:6, God said, “Let there be an expanse in the middle of the waters, and let it divide the waters from the waters.”

Gen 1:7, God made the expanse, and divided the waters which were under the expanse from the waters which were above the expanse; and it was so.

Gen 1:8, God called the expanse “sky.” There was evening and there was morning, a second day.

Gen 1:9, God said, “Let the waters under the sky be gathered together to one place, and let the dry land appear;” and it was so.

Gen 1:10, God called the dry land “earth,” and the gathering together of the waters he called “seas.” God saw that it was good.

Gen 1:11, God said, “Let the earth put forth grass, herbs yielding seed, and fruit trees bearing fruit after their kind, with its seed in it, on the earth;” and it was so.

Gen 1:12, The earth brought forth grass, herbs yielding seed after their kind, and trees bearing fruit, with its seed in it, after their kind; and God saw that it was good.

Gen 1:13, There was evening and there was morning, a third day.

Gen 1:14, God said, “Let there be lights in the expanse of sky to divide the day from the night; and let them be for signs, and for seasons, and for days and years;

Gen 1:15, and let them be for lights in the expanse of sky to give light on the earth;” and it was so.

Gen 1:16, God made the two great lights: the greater light to rule the day, and the lesser light to rule the night. He also made the stars.

Gen 1:17, God set them in the expanse of sky to give light to the earth,

Gen 1:18, and to rule over the day and over the night, and to divide the light from the darkness. God saw that it was good.

Gen 1:19, There was evening and there was morning, a fourth day.

Gen 1:20, God said, “Let the waters swarm with swarms of living creatures, and let birds fly above the earth in the open expanse of sky.”

Gen 1:21, God created the large sea creatures, and every living creature that moves, with which the waters swarmed, after their kind, and every winged bird after its kind. God saw that it was good.

Gen 1:22, God blessed them, saying, “Be fruitful, and multiply, and fill the waters in the seas, and let birds multiply on the earth.”

Gen 1:23, There was evening and there was morning, a fifth day.

Gen 1:24, God said, "Let the earth bring forth living creatures after their kind, livestock, creeping things, and animals of the earth after their kind;" and it was so.

Gen 1:25, God made the animals of the earth after their kind, and the livestock after their kind, and everything that creeps on the ground after its kind. God saw that it was good.

Gen 1:26, God said, "Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the birds of the sky, and over the livestock, and over all the earth, and over every creeping thing that creeps on the earth."

Gen 1:27, God created man in his own image. In God's image he created him; male and female he created them.

Gen 1:28, God blessed them. God said to them, "Be fruitful, multiply, fill the earth, and subdue it. Have dominion over the fish of the sea, over the birds of the sky, and over every living thing that moves on the earth."

Gen 1:29, God said, "Behold, I have given you every herb yielding seed, which is on the surface of all the earth, and every tree, which bears fruit yielding seed. It will be your food.

Gen 1:30, To every animal of the earth, and to every bird of the sky, and to everything that creeps on the earth, in which there is life, I have given every green herb for food;" and it was so.

Gen 1:31, God saw everything that he had made, and, behold, it was very good. There was evening and there was morning, a sixth day.

Look around you; where did everything come from? Current scientific conjecture (alias, "The Big Bang Theory") says the universe just exploded; everything came from nothing. Now, that makes perfect sense – NOT! Scientists treat this theory as if it were fact, but in reality; it is NOT! The scientific method is: experimental design, execution of that design, acquisition of data, analysis of the experiment and then logical conclusions based on repeating your efforts multiple times. So, unless one can travel back in time, what ideas you have, well, they are simply yours, NOT science.

People today have placed themselves in the place of God, when they decide that "Science" is the standard. Literally, this is arrogance "personified".

Think about this for a moment: Human beings are born, grow old and die; God does not, for HE is eternal.

How can a finite being have the audacity to even measure the possibilities of an infinite one?

And this college course is called...

**HUMILITY 101**
