

Satan's throne

If Satan had a throne, what would it look like? Who knows, but this picture just might fill the bill. Why? Because Satan was (and still is) on a power trip

(as shown by the horns). The color is right, since God is light, naturally Satan would be black. Since God is love, Satan would naturally be hate. God has exalted man, so Satan would naturally do the opposite and exalt the animal world. In short, whatever God is, wants, desires or works at, Satan wants the exact opposite. This passage from revelation will prove interesting.

Rev 2:12-17

12 "To the angel of the assembly in Pergamum write: "He who has the sharp two-edged sword says these things:

13 "I know your works and where you dwell, where Satan's throne is. You hold firmly to my name, and didn't deny my faith in the days of Antipas my witness, my faithful one, who was killed among you, where Satan dwells.

14 But I have a few things against you, because you have there some who hold the teaching of Balaam, who taught Balak to throw a stumbling block before the children of Israel, to eat things sacrificed to idols, and to commit

sexual immorality.

15 So you also have some who hold to the teaching of the Nicolaitans

likewise .

16 Repent therefore, or else I am coming to you quickly, and I will make war against them with the sword of my mouth.

17 He who has an ear, let him hear what the Spirit says to the assemblies. To him who overcomes, to him I will give of the hidden manna, and I will give him a white stone, and on the stone a new name written, which no one knows but he who receives it.WEB

One of Satan's best "tricks" is to get the unwitting human to accept something "more" in the way of deity and his best method is to use sex along with this. Fortunately, we have Jesus, who has both shown us the way and helps us become and remain Spiritual. To those who "overcome" Satan and his ways, God will give him 1. hidden manna 2. a white stone 3. a new name.

In other words, Spiritual sustenance, freedom and a new life. What more

could someone ever want? After all, it is better to bow in heaven rather than sit on a throne in hell! I don't know about you, but I am going to watch where I sit from now on and besides, BLACK MAKES ME NERVOUS!!
