

## Sex

My wife and I grew up in upstate New York on farms. My family had about 15-20 chickens and a few cows, but Linda's family had about 75 cows, both Jersey and Holstein. Her family had a much larger farm of 400 acres and also a wider assortment of animals – pigs, ducks, and a pony.

Anyone who has spent any time on a dairy farm will tell you that there are bulls and cows (male and female). There are no bulls who think they are cows and no cows who pretend they are bulls. Simple stuff.

Today, some humans want to pretend they are the other sex. Society has accepted this mental disorder and so the picture at the top has almost become commonplace. But, today's perversity was not how humanity began. In the book of Genesis, God created as follows:

Genesis 1 ( [World English Bible](#) )

**Gen 1:25, God made the animals of the earth after their kind, and the livestock after their kind, and everything that creeps on the ground after its kind. God saw that it was good.**

**Gen 1:26, God said, “Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the birds of the sky, and over the livestock, and over all the earth, and over every creeping thing that creeps on the earth.”**

**Gen 1:27, God created man in his own image. In God’s image he created him; male and female he created them.**

**Gen 1:28, God blessed them. God said to them, “Be fruitful, multiply, fill the earth, and subdue it. Have dominion over the fish of the sea, over the birds of the sky, and over every living thing that moves on the earth.”**

Gen 1:29, God said, “Behold, I have given you every herb yielding seed, which is on the surface of all the earth, and every tree, which bears fruit yielding seed. It will be your food.

Gen 1:30, To every animal of the earth, and to every bird of the sky, and to everything that creeps on the earth, in which there is life, I have given every green herb for food;” and it was so.

**Gen 1:31, God saw everything that he had made, and, behold, it was very good. There was evening and there was morning, a sixth day.**

God made the animals and after that HE created human beings in HIS own image and after HIS likeness. Animals are different from humans, period. Further, God created them male and female; HE only made two sexes, period. Sex is simple and permanent; leave God’s work alone and call it what it was designed to be  
– either male or female.

**Anything more than this is evil.**
