

Satan's latest tool: Eliminate truth by referring to it as "Hate Speech". If the truth bothers you, then simply call it something that most people would find objectionable – Hate. Sounds outrageous doesn't it? But, it does work. This form of propaganda was used by the third Reich to brainwash the German people prior to and during World War II. The outcome: millions upon millions of people died unnecessarily.

Wake up America, The Democratic party, with its recent shift towards Socialism (which is Communism thinly veiled) has become a strong advocate of pointing out Hate Speech. And what is Hate Speech? The answer is – Anything the Democrats do not like. Perhaps some of you may remember the last Democratic national convention; they vehemently booed God. Recently, the speaker of the house of representative had "In God We Trust" Removed from the entrance to of their building. And the Democratic platform includes things like Abortion on Demand, free everything in life, (without working for it) the removal of all references to God in any governmental setting whatsoever and giving the vote to illegal aliens. Now, if they are ultimately successful in these things; well, frankly, I don't know a better way to destroy our country.

The Bible says...

2<sup>nd</sup> Timothy ( [World English Bible](#) )

2Ti 4:1, I command you therefore before God and the Lord Jesus Christ, who will judge the living and the dead at his appearing and his Kingdom:

**2Ti 4:2, preach the word; be urgent in season and out of season; reprove, rebuke, and exhort, with all patience and teaching.**

**2Ti 4:3, For the time will come when they will not listen to the sound doctrine, but, having itching ears, will heap up for themselves teachers after their own lusts;**

**2Ti 4:4, and will turn away their ears from the truth, and turn aside to fables.**

When The Bible is ignored and people do exactly as they wish, then our society will sink to the lowest possible level. This has begun in earnest within our country and if left unchecked will be our nation's downfall. People will believe anything and everything BUT what God says and will ultimately pay the price of destruction.

This is all pretty depressing, but there is a solution. Open your Bible and accept the Truth for what it is. In the upcoming election (2020) only vote for candidates who are aligned with Biblical TRUTH. Reject those who oppose Biblical teaching and take back our country from the evil that truly is characterized by the Democratic party.

**May God bless America, once again!**
