

Different measuring standards? Really? I don't think so; someone just made a mistake, for the top ruler is obviously WRONG! Today, the United States is in turmoil because the radical left wants to change the rules. Freedom of

speech, Freedom of religion, Freedom of gun ownership – all these freedoms and more, the radical left (more appropriately called communists) want eliminated in an overthrow of Capitalism by Communism.

This country was founded by Christians, who were gun-owning, Bible-believing, freedom-minded people. The standards have not changed, However, communism is being taught to our children in schools and when enough people are coerced into believing this nonsense, then goodbye freedom.

These things must **NEVER, EVER HAPPEN**. Those who call themselves Christians need to vote to save this nation from the scourge of communism disguised as liberalism. Those of us who accept the Bible and its teachings, also accept **JESUS AS LORD**. The Bible says...

Matthew 28 ([World English Bible](#))

18 Jesus came to them and spoke to them, saying, "“[All authority has been given to me in heaven and on earth.](#)”

19 "Go," * "and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, "

20 "teaching them to observe all things that I commanded you. [Behold, I am with you always, even to the end of the age.](#)”" Amen.

AND

Revelation 19 ([WEB](#))

11 I saw the heaven opened, and behold, a white horse, and he who sat on it is called [Faithful and True. In righteousness he judges and makes war.](#)

12 [His eyes are a flame of fire, and on his head are many crowns. He has names written and a name written which no one knows but he himself.](#)

13 He is clothed in a garment sprinkled with blood. His name is called “The Word of God.”

14 The armies which are in heaven followed him on white horses, clothed in white, pure, fine linen.

15 Out of his mouth proceeds a sharp, double-edged sword, that with it he should strike the nations. He will rule them with an iron rod. He treads the wine press of the fierceness of the wrath of God, the Almighty.

16 He has on his garment and on his thigh a name written, “KING OF KINGS, AND LORD OF LORDS.”

Do not be deceived; communism is directly opposed to God and those who follow him. Don't believe me? Then perhaps you may recall the last Democratic party convention; they vehemently booed the very mention of God. Listen to the news, Democrats are already calling for the elimination of Christianity.

Over the years, I have always thought elections were just about the Democrats versus the Republicans. Recently, it has become apparent that the standards have changed for the Democrats and they (as a party, have become evil communists). So, this current election is no longer about partisanship, but rather about good verses evil.

I cannot tell you who will win the election, but I can tell you who will ultimately win the spiritual battle. In a word - **JESUS!** Fight evil, vote against communism and for Donald J. Trump. Your vote might just change the course of history!

The rules have NOT changed -

Jesus Christ has all authority and God wins!

Believe this, because its true!
