

# Kindle Paperwhite E-Reader

Hunterdon County Senior Center

8/'13, 3/'14 Bruce Arnold

*"With an excellent built-in light and Amazon's best-in-class e-book selection, the Kindle Paperwhite rises to the top of the e-reader pack." - Cnet 2012. The buzz today surrounds tablet computers like the iPad, but it should not overshadow the practicality of the e-reader like the Kindle Paperwhite. Electronic books are quickly becoming the preferred method of consuming books, newspapers and periodicals.*

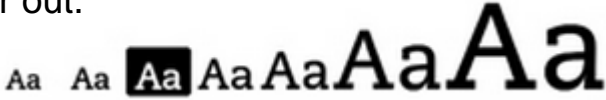

## Specifications from Amazon.com

### World's most advanced e-reader - higher resolution, higher contrast touchscreen with built-in light and 8-week battery life

1. Patented built-in light evenly illuminates the screen to provide the perfect reading experience in all lighting conditions
2. Paperwhite has 62% more pixels for brilliant resolution
3. 25% better contrast for sharp, dark text
4. Even in bright sunlight, Paperwhite delivers clear, crisp text and images with no glare
5. New hand-tuned fonts - 6 font styles, 8 adjustable sizes
6. Eight (8) week battery life, even with the light on
7. Holds up to 1,100 books - take your library wherever you go
8. Built-in Wi-Fi lets you download books in under 60 seconds
9. New Time to Read feature uses your reading speed to let you know when you'll finish.
10. Massive book selection. Lowest prices. Over a million titles less than \$9.99
11. 180,000 Kindle-exclusive titles that you won't find anywhere else, including books by best-selling authors such as Kurt Vonnegut
12. Supports children's books and includes new parental controls
